Item		Action	Date

2.0	Approval of June 2017 Meeting Minutes		
2.1	The minutes were approved:		
	Proposed: Ivy Cowan		
	Seconded: Danielle Glendinning		
SI 1	East Renfrewshire Disability Action		
	Michael McEwan, Chair of East Renfrewshire Disability Action		
	(ERDA) spoke to the Community Council about the role of the		
	ERDA and gave examples of issues concerning the group and		
	to generally raise awareness to the community of its existence.		
	He can be contacted by emailing: michael.erda@gmail.com		
SI 2	Mure Park Residents – Broadband		
	Several residents from Mure Park attended the meeting to raise		
	the matter of Super-Fast Broadband. Residents in the estate		
	are unable to connect to the fibre cabinet recently installed in		
	the village to receive faster Broadband. This is because Mure		
	Park did not exist in 2012 when the Scottish Parliament		
	mandated the rollout of Superfast Broadband. BT Openreach		
	provided a quote for fibre broadband for the residents – which		
	was in excess of £20k. The Community Council has advised		
	that there are various funds that can be applied for, we agreed		
	to act as a legal 'Point of Contact' for the residents if this is		
	needed.		
	The community council were advised of a new development –		
	Openreach are now looking at connecting Mure Park to the new		
	Fibre Cabinet – at a cost to the residents.		
	Tible Cabillet – at a cost to the residents.
